

YOUR TIME. YOUR APP.

Employee time tracking for
you and your business.

HELLO, GREAT TO HAVE YOU HERE!

Here, you can learn a bit more about us, our app, and the benefits for you as a user or as a business.

WHO IS BEHIND EMTIREC?

We are an experienced and innovative team based in Saarbrücken, Germany. EmTiRec was developed by Leoworx Ortungssysteme GmbH, the company responsible for developing and managing the entire Vodafone IoT tracking solution.

WHAT IS EMTIREC?

EmTiRec stands for **Employee Time Recording**. Our app offers you and your business an intuitive and clear solution for recording working hours digitally and in a legally compliant manner.

OUR MISSION

Our goal is to make time tracking simple, transparent, intuitive, and clear – and for less than one euro per month.

ADVANTAGES FOR YOUR BUSINESS

- Less than 1 euro per month per user
- GDPR compliant
- Compatible with various interfaces / API integration possible
- Legally compliant (in line with the EU Court of Justice ruling & Working Hours Act)
- Employee management without any additional hardware needed
- And much more.

ADVANTAGES FOR YOU AS AN EMPLOYEE

- Track your working hours independently of time and place on your phone, tablet, or browser (Android, iOS)
- Safe handling of your data
- Monthly cancellation
- Less than 1 euro per month
- Minute-accurate recording
- No loss of storage on your smartphone thanks to cloud storage
- And much more.

get the
app!
